

Muhammad Waris Mahmood

m.warismahmood@gmail.com

+923365729893

Faisalabad, Panjab

Summary

Result-oriented Web Developer with a proven track record in crafting dynamic and responsive websites. Proficient in leveraging a diverse skill set including HTML, CSS, JavaScript, React, Node.js, and other cutting-edge technologies. Demonstrated expertise in designing and implementing innovative solutions that enhance user experiences. Eager to contribute my technical proficiency and strong communication skills to drive excellence in web development.

Experience

Teacher Assistant

FAST NUCES • Faisalabad

02/2024 - Present

- Provided support to the instructor in the Web Engineering course
- Offered one-on-one assistance to students to address individual learning needs and challenges
- Graded assignments and quizzes to provide constructive feedback and track student progress
- Collaborated closely with instructors to create a supportive and engaging learning environment

Web Development Intern

FastDev Labs • Remote

07/2023 - 09/2023

- Contributed to a client project, developing and maintaining React.js front-end components.
- Implemented server-side logic and API integration using Node.js and Express.js.
- Collaborated with cross-functional teams, ensuring project delivery within deadlines.
- Acquired skills in responsive design, RESTful APIs, and MongoDB database management.
